The Undergraduate Pre-Health Program offers support to students pursuing professional careers within healthcare. UPP has been designed to provide:

- **Professional Development**  
- **Leadership Development**  
- **Academic Support**  
- **Mentorship**  
- **Social Awareness**  
- **Paid Internships**  
- **Networking Opportunities**  
- **Understanding Health Disparities & Ethics**

Participants engage in Saturday Academies throughout the academic year, and work in full-time internships over the summer for 4-8 weeks. Participants are assigned to various clinical departments throughout Colorado. The program includes a robust curriculum focused on developing a workforce of health care providers that are both culturally conscious and representative of the diverse populations we serve.

**Application Opens:** January 1, 2020  
**Deadline Extended:** May 1, 2020

**PROGRAM DATES:**  
Saturday Academies: August 2020 - May 2021  
Internship/Outreach: May 2021 - July 2021
