Starting this fall you can take Indonesian classes right here at CU-Boulder!

Have you ever wanted to go to Bali? Would you like to learn more about Indonesia? Indonesia is one of the largest countries in the world, and is home to thousands of beautiful islands and traditions.

Learn Indonesian through the Directed Independent Language Study (DILS) method! The DILS model allows for smaller class sizes, more one-on-one attention and more interaction between the students and the instructor. Our Indonesian DILS instance will be led by one of the finest Indonesian instructors at the highly regarded Defense Language Institute. Classes will meet for one hour twice a week.

Beginning Indonesian I (DILS)

*If you have any questions about these courses, please contact Mark Knowles at mark.knowles@colorado.edu.*
